

PRODUCT INFORMATION

FB 5100

Freshbrew Hot Drinks Vender, Table Top

Wittenborg is a Company of N&W Global Vending. Since its formation in 1924 Wittenborg has become renowned for its high quality engineering and innovative approach to vending.

FB 5100 is a compact tabletop hot drink vender, with a wide variety of freshbrew and instant drink selections. FB 5100's attractive modern design makes

it suitable wherever a high quality drink service is required in a minimum of space.

The unique ingredient canister with visible coffee assures the user of a freshly brewed drink. FB 5100 features a multibrew jug facility on all selections and an electronic cup sensor that allows for jugs as well as different sizes of cups.

WITTENBORG

FB 5100

Freshbrew Hot Drinks Vender, Table Top

Attractive Modern Design

Wittenborg FB 5100 is a compact table top vender, with a wide range of applications.

- Small footprint
- Choice of 8 colours for selection panel surround
- Freshbrew ingredient visible
